HOW DOES IT WORK?

Here is the quick + easy process for getting your video edits done:

- Browse through the editing styles, packages + add-ons above.
- Make a note of any specific editing requirements/features you need.
- Send an email to nat@collabxsocial.com with an outline of the video edits you'd like to get done and total length of raw clips (per video).
- You'll get a final quote to ensure the most value for exactly what you need and a delivery estimate.
- Make your payment, send through your clips and any brand assets to be included. (Bundle pack clips need to be supplied together)
- I'll whip those babies together into some video magic.
- You also get a round of adjustments to get it juuust right.
